Central Payroll Bureau

DATE: February 1, 2013

SUBJECT: Payroll Changes Effective January 1, 2013

Please make the following information accessible to employees of your agency.

1. State employees received a 2% COLA effective December 31, 2012.
2. Social Security (FICA) Tax for Employees
  - The Social Security Administration (SSA) has announced that the Social Security taxable wage base will increase for calendar year 2013 to \$113,700. The employer's FICA tax rate will hold steady at 7.65% for 2013. The employee social security portion of the FICA tax rate will return to 6.20% (reduced rate of 4.2% via the "Making Work Pay Act" expired 12/31/12) for all wages up to and including \$113,700. The employee Medicare portion of the FICA tax rate will be 1.45% for all wages up to and including \$200,000. The employee Medicare portion of the FICA tax rate will be 2.35% on all wages earned in excess of \$200,000.

FICA Tax is composed of two portions:

- OASDI (Old Age, Survivors, Disability Insurance) or better known as the Social Security Tax.
  1. 2013 FICA taxable wages capped at \$113,700
  2. 2013 Social Security tax rate of 6.20% on wages up to \$113,700 results in a maximum payment of \$7,049.40 each for employer and employee as Social Security taxes.
- Medicare (Hospital Insurance)
  1. Medicare tax applies to all FICA taxable wages. There is no Cap for this tax.
  2. 2013 Medicare tax computed as 1.45% of all wages up to and including \$200,000 (EX: \$2,900.00 for FICA taxable earnings of \$200,000)

3. 2013 Medicare tax computed as 2.35% on all taxable wages in excess of \$200,000 (EX: \$4,075.00 for FICA taxable earnings of \$250,000)

Therefore, for the first \$113,700 in FICA taxable earnings employers and employees will each pay a total tax amount of \$8,698.85 (\$7,049.40 + \$1,648.65). For **EMPLOYERS** all FICA taxable earnings in excess of the \$113,700 will continue to be taxed at the rate of 1.45% for Medicare. For **EMPLOYEES** please see Page 1 Medicare explanation.

2. Medicare (Hospital Insurance) Tax for Certain Employees

The Medicare (Hospital Insurance) Tax, which is the only Social Security tax applicable to some University of Maryland and certain State Police employees, shall apply to every dollar of FICA taxable earnings in 2013. The Medicare (Hospital Insurance) tax rate structure has changed. See Page 1 for Medicare tax rates.

3. State Withholding Tax Changes - Three local income tax rates will change for 2013. Anne Arundel County's rate will increase to 2.56% (2.6%), Wicomico County will increase its rate to 3.20% and Talbot County will initiate a new rate of 2.40%.

The tax rates and rate brackets which became effective for all tax years beginning after December 31, 2007 as listed below, are unchanged for 2013. The tax rate for withholding on bonuses paid as a lump sum in excess of \$1,000,000 will remain at 5.50%.

**Exemption Amount** - Remains unchanged at \$3,200 for 2013. An additional exemption of \$3,200 may be claimed for any additional dependent that is at least 65 years of age on the last day of the tax year.

For taxpayers with higher incomes, the exemption amount is limited as follows:

<b>Taxpayers Filing Joint, Surviving Spouse, Head of Household Returns</b>		<b>All Others (Excluding Dependent Taxpayers)</b>	
<u>Federal Adjusted Gross Income</u>	<u>Exemption Amount</u>	<u>Federal Adjusted Gross Income</u>	<u>Exemption Amount</u>
\$150,001 - \$175,000	\$2,400	\$100,001 - \$125,000	\$2,400

In excess of \$250,000	\$600	In excess of \$200,000	\$600

The additional \$1,000 exemption amount for a taxpayer or spouse being at least 65 years of age or blind remains.

**Refundable Earned Income Credit Rate and Eligibility:** An individual may claim a refund in the amount, if any, by which 25 percent of the federal earned income credit exceeds the state income tax for the tax year. The eligibility for this refundable credit does not require that the taxpayer have one or more dependent exemptions.

**Safe Harbor for Calculation of Underpayment of Estimated Taxes:** Estimated tax payments made by individuals for tax year 2013 must be at least 90 percent of the tax developed for the current tax year or 110 percent of the tax developed for the prior tax year

**Pass-Through Entity Nonresident Tax Rates:** Tax rates of 7.50 percent for nonresident individual members (including nonresident fiduciaries) and 8.25 percent for nonresident entity members remain unchanged. These same rates apply to the sale or transfer of real property or tangible personal property by a nonresident individual or nonresident entity.

**Nonresident Income Tax:** The statute was previously amended to change the calculation of the state income tax on nonresident returns. The state income tax imposed on a nonresident is calculated using the following formula, in accordance with Section 10 of the Tax-General Article.

$$\begin{array}{ccccccc}
 \text{Applicable} & & & & \text{Nonresident's Maryland taxable income} & & \\

4. The Military Spouses Residency Relief Act" remains -

This act amended the "Service Members Civil Relief Act" so that exemption from Maryland income tax is applicable if the following three conditions are met:

- a. Your spouse is a member of the armed forces present in Maryland in compliance with military orders
- b. You are present in Maryland solely to be with your spouse
- c. You maintain your domicile in another state

If you claim exemption under this Act you must complete form MW507(W-4)M and attach a copy of your spousal military identification card in addition to submitting form MW507(W-4).

5. Maryland County Income Tax Withholding

All Maryland counties' rates will remain the same in calendar year 2013 with the exception of Anne Arundel County which will increase to 2.56% (2.6%), Wicomico County will increase to 3.20% and Talbot County will be 2.40%.

This table is a display of all possible Local Income Tax Withholding Rates effective for payments made on or after January 1, 2013.  
 \*\*Central Payroll Bureau is required to tax at maximum local rate of 3.20% absent of employee submitted address data on Form W-4.  
 When this occurs the county code on the employee's pay stubs will reflect HW for Howard County.

## 6. Federal Withholding Tax Changes

The Federal income tax withholding rates will be changed effective January 1, 2013.

- The withholding allowance per exemption will increase to \$3,900

## 7. Annual Wage and Tax Statement (Form W-2) for 2012

The Central Payroll Bureau will issue laser-printed annual Wage & Tax Statements (Form W-2) by January 31, 2013. Confidentiality and efficiency are achieved through mailing the W-2 statements directly to all employees, former employees and employees on leave of absence or similar circumstances.

Three copies of the W-2 statement are provided for use with Federal and State returns plus a copy for the employee to retain. Additional copies are available to the employee or agency payroll personnel via our web site home page, menu option POSC, throughout the year beginning January 19, 2013.

## 8. Maryland Electronic Filing Program

Maryland Income Tax returns can be filed for "free" using "iFile". For information on iFile visit the Comptroller's web site at:

[www.marylandtaxes.com](http://www.marylandtaxes.com)

or call: 1-800-MD-TAXES

Individuals can email their state tax questions to:

[taxhelp@comp.state.md.us](mailto:taxhelp@comp.state.md.us).

## 9. Explanation of the W-2

Our web site offers a detailed explanation of the W-2 which can be downloaded for employees who need assistance in understanding the difference between their year-to-date earnings shown on the last pay stub (or "stubs" if the employee worked for more than one agency during the year) and the taxable wages shown on their Form W-2. The "Your 2012 W-2, What You Need to Know" information can be accessed from our home page

<http://compnet.comp.state.md.us/cpb>

Click on "State Employees/News and Information"

Click on "Your 2012 W2, What You Need to Know"

*NOTE: The Patient Protection and Affordable Care Act of 2010 requires that employers report the total aggregate cost of group health plan coverage to their employees annually on the W-2. Although this cost is included on the W-2 (in Box 12, under Code DD), it is informational only and is NOT included in taxable income. The aggregate cost of coverage that is reported on the W-2 is based on what you pay toward the Pharmacy Plan, Basic Health Insurance and the subsidized amount the State of Maryland pays toward your plans coverage.*

10. Request for Duplicate W-2

Duplicate W-2's may be requested via phone starting on January 19, 2013. Current available request lines are: 410-260-7964 (local) and 1-888-674-0019 (toll free in Maryland). Requests taken by phone are batched and processed on a weekly cycle. For faster service employees are encouraged to download a copy using the POSC (Payroll Online Service Center) application, located on the Central Payroll Bureau Web site:

<http://compnet.comp.state.md.us/cpb>

11. State Tax Return Requirements

Employee contributions to any of the following retirement or pension systems will be noted on the first line in box 14 of the W-2 labeled as "STPICKUP". If an employee is due a refund of their Maryland taxes, failure to add the "state pickup amount" on line 3 of the 502 form or line 19 of the 505 form Maryland state tax returns can result in the refund being delayed. This is an additional modification required because the "state pickup amount" is only sheltered for Federal income tax purposes and is fully taxable for State income tax and Social Security (FICA) purposes.

Employees will use the amount in box "16" of the Form W-2 (labeled "State wages, tips, other compensation") for their State taxable wages. Because the Maryland Tax Return (Form 502 or 505) uses the "Federal adjusted gross wages" as the starting point for determining State taxable wages, box "16" (State Wages) was deliberately left blank in previous years. The use of software tax preparation programs or electronic/internet filing requires state wages to be reported without Federal adjustments, so box 16 will this year contain the correct amount needed by those programs to begin completing the state tax return.

12. Maryland Charities Campaign Deduction

The voluntary deductions for the Maryland Charities Campaign, which were solicited in the Fall of 2012, will be effective starting with the Regular Payroll pay period ending December 25, 2012, paid on January 2, 2013 (the corresponding University of Maryland pay period ending is December 29, 2012, paid on January 4, 2013 and Contract pay period ending is January 1, 2013 and paid on January 9, 2013). The payroll deductions will continue for 26 pays.

13. Unemployment Insurance

The rate effective for the first payroll in January 2013 (PPE 12/25/12) is .0028. Unemployment Insurance Wages exclude cafeteria plans and dependent and health care plans.
