ANNAPOLES TRANSIT SHUTTLE MAP
Annapolis Transit operates two shuttles from the Navy-Marine Corps Stadium: Navy Blue & State Shuttle

The Navy Blue bus route will be modified and will continue to receive service from Navy-Marine Corps Memorial Stadium to Downtown Annapolis. Starting July 1, riders will be charged $2.00 per ride. Patrons who park at the stadium, which is out of the Central Business, will be charged $5 to park by Pinnacle Parking and the $2.00 to ride the shuttle. Riders will be picked up at the Navy-Marine Corps Memorial Stadium’s parking lot as part of Circulator route. Shuttles will make the stadium stop every 20 minutes throughout the day. In light of this increase, the Annapolis Mayor urges riders to park in one of the three City garages for efficient and cost-effective service and take advantage of the Annapolis Circulator. Individuals can park at Park Place for $10/day. Knighton for $10/day or Gott’s for $16/day. The city of Annapolis has also installed street meters that now accept credit cards, please visit this site for more information; http://www.parkannapolis.com/

The State Shuttle (or Circulator B) makes a constant loop between Navy Stadium and the legislative buildings. Although primarily a commuter tool for the hundreds of state employees located in Annapolis, anyone can catch the State Shuttle to access stadium parking.

The two shuttle systems complement one another with the State Shuttle leaving every (20) twenty minutes during peak rush hour and every (20) twenty minutes all other times. For State employees the cost of the Shuttle is free. Any other person without a state issued valid photo identification card will have to pay the $2.00 fare. This includes passengers in vehicles that have paid for parking.

**Operates:**

Monday - Friday 6:30 a.m. - 7:00 p.m. (State Shuttle runs until 10:00 p.m. on Monday’s during legislative session)
